

Tiring of Pro-Life Strategy 1.0?

You've prayed for pro-life Supreme Court justices.
You've engaged in debate about life issues.
You've marched on DC every anniversary of Roe vs. Wade.
You've prayed outside abortuaries.
You may have even been arrested for civil disobedience.

All of the above actions are commendable and praiseworthy. Yet, for all of your acts and the acts of people like you, we have not seen a rollback of abortion since 1973; to the contrary, we have seen ourselves as a nation descend ever further down the slippery slope. Perhaps a new strategy should be employed, We discovered one. We can't take credit for it, but we like to call it...

Pro-Life Strategy 2.0

The strategy that:

- * Has been available to pro-life advocates not only since the infamous Roe vs. Wade ruling, but also since the birth of these United States of America.
- * Is specified in the supreme law of the land, the United States Constitution.
- * Will empower a new generation of pro-life advocates and educators.
- * Was unknown to you (and us!)...until now.
